

GST Letter

Your customs brokerage account is to be set up on GST Direct payment with the Canada Border Services Agency (CBSA) as per our company policy. Please complete the agreement below on your company letterhead. When completing this document, you will need to insert your full legal company name in each space that says NAME OF IMPORTER. The agreement must be prepared in such a way as to fit on one page. Please return the original GST Letter to:

ISL Customs Brokers c/o Summit International Trade Services Inc.
2060-5200 Miller Road, Richmond, BC V7B 1L1
Attention: New Accounts

This agreement stipulates that you agree to take responsibility for payment of your GST (goods and services tax) directly to CBSA at the end of each month. **Importing on the GST Direct process is very easy.** We still clear your shipments using our account security with CBSA, but once the GST Agreement is approved, you will take responsibility for payment of your GST directly to CBSA at the end of each month.

PAYMENT DIRECTIONS AND GUIDELINES

At the end of each CBSA accounting period you will receive a recap from ISL Customs Brokers listing the GST on all regular transactions confirmed with CBSA during that accounting period (the CBSA accounting period runs from the 25th to the 24th -- e.g. May 25th to Jun 24th would be due June 30th for 2020). The recap will be received by fax or email to your designated contact information. If you have not received your GST recap by 2:00 pm EST on the 25th please immediately contact your collector.

You will need to immediately take steps to start preparing your payment for that month. You must provide payment for the full amount of GST for all transactions processed during a billing period as per the GST recap.

Your GST payment must be provided by either e-Transfer (CBSA's preferred method) or courier your cheque direct to the CBSA payment office.

A second payment, payable to ISL Customs Brokers, is still policy to cover all other invoices billed during that month. A statement of account will be provided for these charges as well. Payment must be received by ISL Customs Brokers by the **second last business day** of the month. It is recommended that you allow at least 48 hours to ensure your CBSA payment is received on time. Interest and penalties will occur if your payment is late. We will submit your payment along with all other client's payments on the morning of the last working day of each month.

REMITTING THROUGH ONLINE BANKING

Log into your bank account online and set up CBSA as a payee. Your payment to the CBSA will be processed as a bill payment similar to paying a hydro or credit card bill.

Your 15 digit Business number (xxxxxxxxx**RM**0001) is your account number and you will choose one of the following payee names.

*Please note: The **RM extension** on your account number will ensure the payment is applied to the GST from your Imports. DO NOT use the RT extension as that is for your input tax credit.
